Energy code workshop planned

A workshop and technology fair designed to explain the International Building and Energy Conservation Code recently adopted by the Village is scheduled for Thursday, April 22 at Percy Julian Middle School, 416 S. Ridgeland Ave.

Two identical workshops are planned – the first from 2 - 4 p.m. and the second from 6 - 8 p.m. A technology vendor fair featuring local businesses promoting energy efficient products and services will be held from 4 - 6 p.m.

Anyone wishing to attend should register before April 15 by calling 358.5430 or sending an email to building@oak-park.us. Registration also can be completed on-line at www.oak-park.us – click on the special news report button and look for the link.
