Council Chambers

The President and Board of Trustees welcome you. This is a working session of the Village Board and no public comment will be taken.

Agenda

1. Follow-up From Direction to Staff on Monday July 31, 2006 Study Session Related to the Opera Club

This is a continuation of the discussion on Monday July 31, 2006 in which the Board upheld the Plan Commission's findings related to their review of four of the twelve modifications proposed by John Schiess regarding the Opera Club development at the southwest corner of South Boulevard and Marion. In addition, the Board directed staff to review and present options for imposing fines for this planned development for discussion during this meeting.

2. Continued Discussion on Holley Court Entrance & Exit Design Per the July 27, 2006 Study Session

This discussion is continued from the Study Session of July 27, 2006 in which the Board was reviewing the proposed redesign of the Holley Court entrance & exit plans.
