the Department of Public Works - Streets Division, Mr. Larson addressed the layoffs which targeted only his department. He suspected this was an effort to break the Union.

Terry Lieber, 147 Linden Avenue. Ms. Lieber encouraged all to attend an Oak Park and River Forest High School football game to experience the level of noise. She further encouraged people to see stadium lights, like those proposed for our high school, installed at fields for the high schools of Oak Lawn and Evergreen Park.

Mark Lieb, 216 South East Avenue. Mr. Lieb suggested that a right-turn-on-red be permitted for eastbound traffic at the intersection of South Boulevard and Ridgeland Avenue. He further noted that the pedestrian signal at the intersection of North Marion Street and Lake Street was ineffective and persistently ignored.

REPORTS

A. **Reports**

Village Manager Barwin reviewed the Village's **Leaf Collection** program for Fall 2008. Between October 20th and December 4th there will be seven opportunities for property owners to have leaves collected from in front of their properties. Leaf collection maps can be found in the OP/FYI Newsletter, and on the Village website (www.oak-park.us). Public Works' Leaf Collection Guidelines include keeping piles of leaves on parkways until the night before a scheduled pick up, then pushing leaf piles 18 inches from the curb keeping clear of gutters and catch basins. Lastly, do not park cars on top of leaf piles.

Construction work is wrapping up all around the Village. Water and sewer work on South Lombard is nearing completion, as is work on the Holley Court Parking Garage. Final micro-surfacing and re-surfacing projects should be completed by the end of the month.

Priscilla Mims, 325A North Oak Park Avenue.
