Access To Care

A public/private partnership making primary health care and the ancillary pharmacy, laboratory and radiology services available to those individuals caught in the gap between eligibility for public health insurance programs ([All Kids](#), [FamilyCare](#), [Medicaid](#), [Medicare](#)) and having private insurance. The program provides affordable diagnosis and treatment to individuals and families for a small co-payment per visit, procedure or prescription medication.

Eligibility screening is determined by the following criteria:

- Family incomes below 200% of the federal poverty level, and
- With no health insurance (or a deductible of \$500 or more per person), and

- Ineligible for [All Kids](#), [FamilyCare](#), [Medicaid](#), or [Medicare](#) and residence in suburban Cook County or northwest Chicago. To register:
 - a) Print an application from the website, follow the instructions, enclose all necessary documents and mail it to the address on the application form **or**
 - b) Print an application form from website, follow the instructions, enclose all necessary documents and mail it to the address on the application form **or**
 - c) If you cannot go to an intake site, call 708-531-0680 and request an application be mailed to you. When received, follow the instructions and enclose the necessary documents
