**Board to Host Second Open Forum with Residents**

The Village Board will host the second of an ongoing series of quarterly open dialogues with community residents from 7 – 10 p.m., Wed. July 28, at Village Hall, 123 Madison St.

As with the first forum held in May, an informal format will encourage interaction among residents and Board members. Topics will be considered on a first-raised, first-addressed basis, with discussion limited to 45 minutes each to ensure sufficient time to address at least four topics per session.

Sessions will be televised live on VOP-TV6, the government access television station available to cable subscribers on channel 6.
