**Free Electronics Recycling Event Scheduled**

Individuals are invited to recycle old electronic items for free from 9 a.m. - 3 p.m., Sat., Nov. 20, at the Village of Oak Park Public Works Service Center, 131 South Blvd.

Acceptable items include fax machines, hard drives, laptops, mainframe computer equipment, modems, personal computers (CPU, monitor, keyboard, mouse and peripherals), printers, printed circuit boards, scanners, televisions, testing equipment, transparency makers, uninterrupt power supply (UPS) systems and VCRs.

The event is funded by a \$10,000 grant from computer manufacturer Dell, Inc. Oak Park was the only Illinois community to earn a grant through the Dell program. A similar electronics recycling event held here in 2001 collected more than 35,500 tons of electronics from residents of 26 communities.

For more information on the event or the Village's recycling program call 358.5700 or email [publicworks@oak-park.us](mailto:publicworks@oak-park.us).
