Summer Watering Restrictions in Effect

State law mandates summer watering restrictions for towns using Lake Michigan water.

Outdoor water use is limited Mondays through Fridays from May 1 through September 15 to even-numbered street addresses on even-numbered days, and to odd-numbered addresses on odd-numbered days.

Watering restrictions apply to any hose connected to the Village's water supply for sprinkling lawns and plants, and washing vehicles.

Newly planted grass seed, sod, trees and shrubs are exempt from the restrictions during their first 30 days of growth.

For information on the restrictions call 358.5700 or email publicworks@oak-park.us.
