**Public Invited to Discuss Revisions to Parking Policies**

The Parking & Traffic Committee has scheduled a hearing at 7:30 p.m., Tues., Nov. 15, in Council Chambers at Village Hall, 123 Madison St., to take public testimony on proposed changes to a wide range of parking policies.

Among the items to be discussed will be parking for commuters and bicyclists near transit stations, loading zones, accessible parking, valet parking and various other regulations, including signage.

A proposed menu of specific parking restrictions residents could seek to change through petition on a neighborhood basis also will be discussed.

Public input at the meeting will help the Commission refine its recommendations to the Village Board for action.

For more information on the meeting or parking issues, call 358.5750 or email [publicworks@oak-park.us](mailto:publicworks@oak-park.us).
