**Benages Named VP for Professional Security Association**

Parking Development Manager Adolfo Benages has been named Regional Vice-President for the Illinois/Indiana Region of American Society for Industrial Security (ASIS) International for 2006.

Benages, who is a *certified protection professional (CPP)*, served as the chairman of the board of directors for the Chicago Chapter in 2005 and has been a member of ASIS International for nearly seven years. He also has served as the Chicago Chapter's Secretary and Vice-Chairman of the Board of Directors.

ASIS International is the largest organization for security professionals. Organization members include consultants, architects, attorneys and law enforcement personnel who are responsible for the security and life-safety programs of some of the most prominent buildings and institutions.

An employee of the Village of Oak Park since 1975, Benages oversees security management for the Village, including helping identify vulnerabilities and making improvements in security for parking lots, garages and Village properties. His CPP certification is in security management.
