Village to Launch E-mail Information Service

Keeping up with what's going on at Village Hall is about to get a little easier for anyone with a computer and access to the internet.

The Village is set to launch an e-mail news and information service in April. Anyone wishing to receive information on municipal activities via e-mail will need only to visit www.oak-park.us, click on the e-news icon and sign up. No information other than an email address will be collected. Unsubscribing will be just as easy.

News and information distributed via the e-mail service will be limited to official municipal business.

For more information, call 358.5700 or email village@oak-park.us.
