Tulips Promote Smoke-Free Lifestyle

Many of the blooming tulips around town are from *Plant a Promise*, an effort by Stop Tobacco Oak Park (S.T.O.P.), the Oak Park Department of Public Health and Oak Park Park District to pay tribute to those whose lives have been touched by tobacco-related diseases and focus attention on the importance of leading a tobacco-free lifestyle.

Local Brownie troops planted more than 2,000 bulbs at Barrie Park, Whittier School and the Dole Learning Center. The bulbs were purchased with grant money from the Oak Park Police Department. Each garden is displaying a sign to inform the public of the importance of the tulip gardens.

For more information on *Plant a Promise* or S.T.O.P. call 358.5484 or email health@oak-park.us.
