**Seminars, Q&A Sessions Planned for Building Safety Week**

In observance of *Building Safety Week*, May 8-12, the Village will host a series of seminars and question-and-answer sessions with plumbing, building, electrical and property inspectors. Special sessions are scheduled for architects and contractors, as well as for homeowners. Here's the schedule of events:

**Monday**

Open house question-and-answer session with electric, plumbing and building inspectors  
10 a.m. – 2 p.m.  
Council Chambers

**Tuesday**

Presentation on the *National Electrical Code*  
9 – 10:30 a.m. for architects and contractors  
11 a.m. – 12:30 p.m. for homeowners  
Room 215

**Wednesday**

Plan reviews for garages, decks, fences and porches for homeowners  
1 - 4 p.m.  
Council Chambers

**Thursday**

Open house question-and-answer session with Property Inspectors  
9 a.m. – noon  
Room 102

**Friday**

Seminar on code requirements and safety-related issues for residential deck construction, including product displays and informational handouts  
9 a.m. – noon for contractors and architects  
1 p.m. – 4 p.m. for homeowners  
Council Chambers

All activities will be in Village Hall, 123 Madison St. For more information, call 708.358.5442 or email [building@oak-park.us](mailto:building@oak-park.us).
