**Village, RSC Reach Agreement on Development Tenant Issue**

The Village of Oak Park and RSC & Associates announced Monday that they had resolved the contractual issues and misunderstanding related to the proposed Lane Bryant store at the 1120 Club development in downtown Oak Park. In making the announcement, they released the following joint statement:

"The Village of Oak Park and RSC & Associates are pleased to announce they have resolved the contractual issues and misunderstanding related to the proposed Lane Bryant store at the 1120 Club development in Oak Park in a manner that is mutually beneficial to both parties as well as to the community at large.

Both parties are pleased that this matter was resolved through successful negotiations and are looking forward to continued collaboration on the 1120 Club project. As a well-respected retailer with a proven track record of financial strength and corporate social responsibility, the Village and RSC are confident that Lane Bryant will be a welcome addition to the 1120 Club and to Oak Park's downtown. The store will be of the highest quality and is targeting the fall of 2006 for its grand opening.

Both the Village and RSC are eager to continue bringing the best retail offerings to the Oak Park community. We appreciate the assistance of everyone who collaborated to resolve this matter. The Village of Oak Park has a long and distinguished history of nurturing and celebrating diversity, and of welcoming all people. We are confident that the end result of our agreement will advance this tradition and will greatly benefit the people of Oak Park and the surrounding communities."
