Planning for new downtown garage, street system continues

The second of three community meetings to guide the design of a new parking garage in downtown Oak Park, as well as improve adjacent streets and streetscapes, including the Marion Street Mall, is scheduled for 7 – 10 p.m., Wed., Oct. 18, in Village Hall, 123 Madison St.

A summary of the site and an area analysis will be presented, as well as development options, design concepts and preliminary transportation recommendations. Meeting attendees will be invited to provide feedback.

Anyone wishing to participate in the process, but unable to attend a community session, will be able to access information on the Community Planning & Development pages of the Village web site www.oak-park.us. Comments and questions also can be sent by e-mail to ParkingAndStreetscape@desman.com or by telephone to 358.5722.
