Planning for new downtown garage, street system nearing conclusion

The third and final community meeting to guide the design of a new parking garage in downtown Oak Park, as well as improve adjacent streets and streetscapes, including the Marion Street Mall, is scheduled for 7 – 10 p.m., Wed., Nov. 15, in Village Hall, 123 Madison St.

The preferred design direction that grew from the previous meetings will be presented and residents given an opportunity to offer feedback to help finalize the design direction.

Anyone wishing to participate in the process, but unable to attend a community session, may access information on the Community Planning & Development pages of the Village web site www.oak-park.us.

Comments and questions also can be sent by e-mail to ParkingAndStreetscape@desman.com or by telephone to 358.5722.
