Oak Park Fire Department offering CPR Classes throughout 2007

The Oak Park Fire Department is offering a variety of life-saving CPR classes throughout the year ahead. The classes will be held at the Department's certified American Heart Association community training center at the main fire station, 100 N. Euclid Ave.

Three different classes are offered – infant/child CPR, Heartsaver/AED training and CPR/AED training for health care providers. All courses are taught by an AHA-certified instructor from 6 p.m. to 10 p.m.

Classes are free for Oak Park residents, but a \$10 textbook fee payable by check or money order is required. In-person registration is recommended at least two weeks prior to the date of the desired course.

For more details or to register for any of the offered courses, contact the Fire Department at 445.3300 or e-mail fire@oak-park.us.
