Parking ban discussions to continue

Discussions of possible changes to the overnight on-street parking ban will continue at the Transportation Commission's next regular meeting scheduled for 7:30 p.m., Mon., May 14, in Village Hall, 123 Madison St.

Modifications of the overnight on-street parking ban are being considered as part of a Village-wide study of parking regulations. Community input on the ban was gathered through a survey on the Village web site and a public meeting in April. The Transportation Commission will make its recommendations for changes – if any – to the Village Board.

For more information on the overnight parking ban review or other parking issues call 358.5750 or e-mail parking@oak-park.us.
