Police seek help identifying suspects in abduction attempt 07.08.11

Oak Park Police are seeking the public's help in identifying four male suspects in connection with an attempted abduction of a 15-year-old girl at about 9:30 p.m. yesterday near Washington Boulevard and Scoville Avenue.

The girl told police she was walking south on Scoville toward Washington when a dark green, four-door vehicle, possibly a 1997-2003 Chevrolet Malibu, stopped next her. Three of the vehicle's occupants exited the car and spoke to the victim. One of the suspects then grabbed her arm, tugging her toward the car. The victim resisted and the suspects returned to the vehicle, which then continued south on Scoville to Madison Street, where it turned eastbound.

The victim was not injured.
