

**Police investigating domestic shooting incident  
July 21, 2008**

An apparent domestic dispute at about 6:40 p.m., Monday, ended in a shooting in a residence in the 600 block of Lake Street.

Police and emergency personnel responding to a 9-1-1 call found the victim, a 39-year-old-male, suffering from a gunshot wound to the abdomen. The victim met the first responders at the door, was conscious and mobile.

The victim was transported to Loyola Medical Center, where he was reported to be in good condition. Medical personnel said the injury did not appear to be life threatening, but expected the victim to remain in the hospital overnight.

The victim told police he was shot by his 19-year-old stepson. He said the weapon was a handgun.

The suspect had fled the scene by the time police arrived. However, the suspect has been in contact with his mother and is expected to turn himself in tonight.

His name is being withheld pending filing of charges.

The investigation is continuing.
