Nominations Sought for Cavalcade of Pride Awards

Nominations are now being sought for the annual "Cavalcade of Pride" awards, which honor property owners who have done an exceptional job of maintaining and improving the exteriors of their homes and businesses.

The Community Design Commission will present awards to owners of nine single-family houses, one multi-unit building, two or more commercial buildings, one garden, one block and one property in an adjoining community. A special award for a nonresidential, noncommercial structure also will be given.

Three new categories have been added this year. These include best renovated property, best new business sign and best parking lot beautification.

To nominate a property, pick up a form at the Customer Service Desk of Village Hall, 123 Madison St. Deadline for nominations is July 5. For more information contact the Development Services Department at 358.5644.
