Village Cancels September Special Election Activities

With the court-ordered cancellation of the Sept. 10 special election, Village Clerk Sandra Sokol has cancelled all related voting activities in Oak Park.

The September special election was called to determine the November general election's Democratic Party candidate for state representative from the 78th District after a tie in the regular spring primary led to selection of the candidate by a coin toss. The losing candidate challenged the process, and a special election was ordered.

The Illinois Appellate Court on Friday cancelled the special election, ordering a Cook County judge to conduct a manual recount of disputed ballots.

For more information on Village voting procedures, call 358.5670 or email clerk@oak-park.us.
