Visit the Oak Park Farmers' Market!

The Oak Park Farmers' Market invites shoppers from Oak Park and the surrounding area to browse fresh fruits and vegetables, flowers, bedding plants, honey, cheese, frozen meat, bread and baked goods, brought to you by local farmers and producers.

Each week the Market features donuts made on-site, fresh coffee and live music. All vendors accept cash, and most accept credit, debit and LINK (processed at the Info Booth). Pets aren't allowed inside the market, and smoking is prohibited. Restrooms are available across the street at Ridgeland Common park. Parking is available on most nearby streets during market hours – just keep an eye on posted parking regulations and restrictions. Visitors can also park in the Oak Park and River Forest High School High School garage just west of the market for free until 1 p.m.

Please use this directory to learn more about our vendors. Don't hesitate to ask at the Info Booth if you have any questions. Most vendors are happy to tell you more about their farms, livestock and philosophy – just ask.

For more information, call **708.358.5780** or email farmersmarket@oak-park.us. Thank you for supporting the market!

7 a.m. to 1 p.m., Saturdays through Oct. 28 at 460 Lake St.
