Robinson asked if Senior Services Dir. Pamela Mahn should come speak at an AIC commission meeting about how needs of seniors are being captured and how they fill the gap. Comm. Robinson agreed to make the request to Dir. Mahn.

Comm Clay asked about the Senior Appreciation Day where seniors are celebrated. Per Comm Robinson that was not lead by the Village or Township but it is coming up this year. The organization who puts it on is the Senior Citizens Center of Oak Park.

Comm Clay also mentioned the hopelessness of seniors for inclusivity as there are limited activities for them. There is isolation. There should be something for everyone. For clarity, Comm Bailey commented that activities are available at the Oak Park Arms such as the senior prom but he does not know how well isolation and hopelessness of seniors is addressed. Comm Robinson gave history on the previous good neighbor program that matched seniors with other people to alleviate loneliness. Currently a barrier for seniors is transportation for them to get out and move around Village of Oak Park.

Chair Blesoff reminded the commission that they can invite people to the monthly meeting. The commission will continue to talk about the Bike/Walk program and the Bike Plan. A representative from the Bike Walk program will come back to speak again in the future.

Adjournment: Motion to Adjourn to was made by Commissioner Clay and seconded by Commissioner Bailey. Motion passed unanimously. Meeting adjourned at 6:53p.m.
