

Overnight On-Street Parking Permit

Zone Z7

Vehicles in possession of a valid on-street overnight permit may park in the permit zone designated by the permit. See spaces depicted with green bars in the map. Park only in areas designated by posted signs. A zone permit does not authorize parking in a lot.

Generally, zone permits are valid from 11 pm to 6 am, seven days per week, hours which are for exclusive use by permit holders. However, times may vary by zone. Specific permit hours are posted on street signs within the zones. Zone permits do not override other posted parking restrictions, such as once per week Tuesday and Wednesday street maintenance, time of day limitations and time limits.

New Permit Purchase

Permits are sold quarterly and are valid: February – April, May – July, August – October and November – January. Proof of residency and vehicle owner information is required to purchase a zone permit. Vehicles must display license plates with a valid vehicle state registration sticker, and have a valid Oak Park vehicle license. All unpaid parking citations and fines due to the Village must be paid in full to purchase a permit. Permits are limited based on availability.

Permit Renewals

Renewals must be made prior to the expiration date. Renewal letters and/or emails may be sent as a courtesy reminder, but do not guarantee a new

permit. Permits may be renewed three weeks prior to the start of each quarter. Automatic renewals can be set up online. Renew online, <https://oakpark.cmrpay.com/permits/login>, by mail or at Village Hall, 123 Madison St., either in person or via a drop box by the south entrance. Office hours are 9:00am to 5:00pm Monday to Friday. The drop box is accessible 24 hours a day, seven days per week. Payment may be made by cash, check or credit card. Mail renewals should be made by check or money order. Do not mail cash. On-line renewals require a credit card. Deadlines for renewal via mail and on-line are approximately six business days prior to quarter's end. All unpaid parking citations and other fines must be paid in full to renew a permit.

Permit Transfer or Reissue

Zone permits are not transferable unless authorized by the Village. Report any change in vehicle, vehicle owner, address or license plate information. Providing false or inaccurate information, or failing to notify the Village of changes in information, may result in ticketing or loss of parking privileges. A \$5 administrative fee is charged to replace a permit that is lost or transferred to another vehicle.

Restrictions

The Village may revoke or cancel any permit issued for a vehicle that is too large to park within a single parking space without parking on the curb or protruding into the driving lane. Vehicles cannot be covered.
