Construction in the Right of Way: I understand that Public Works will not restore nor replace brick pavers, lawn sprinklers, etc, if and when work is performed in the Village parkway. Should my construction damage any property, the applicant is responsible to repair in a timely manner. My construction shall maintain a clean and safe construction site throughout the construction phase, including all Village property.

The Permittee and Professional certifying the plans submitted to the Village shall be solely responsible for and shall defend, indemnify, and hold the Village of Oak Park and its elected and appointed officials and officers, employees, agents, and representatives harmless from and against any and all injuries, claims, demands, judgments, damages, losses and expenses, including reasonable attorney's fees and costs of suit or defense, arising out of, resulting from or alleged to arise out of the issuance of this permit, including but not limited to personal injury, death, property damage. Without limiting the generality of the preceding sentence, the provisions of this paragraph shall extend to indemnify and hold harmless the Village of Oak Park and its elected and appointed officials and officers, employees, agents and representatives in connection with the termination or revocation of this permit.

I, the undersigned, certify that I have proper authority to apply for this building permit, that all contractors have consented to being listed and that all the information contained on this application is true and accurate to the best of my knowledge.
