**COVID-19 Status Report  
Oak Park Village Board of Trustees**

To: Village President and Village Board of Trustees

Fr: Cara Pavlicek, Village Manager

The memo is a means to share a brief summary of information regarding Village of Oak Park operational activities in response to COVID-19. In most cases, formal public guidance or employee guidance has been publicly disseminated via the Village website or Village social media channels. *This report is provided Monday thru Saturday.*

**New Public Health Guidance**

Today, the Village of Oak Park Department of Public Health received notification of the following new COVID-19 cases: 2 Oak Park residents that range in age from their 20's to 50's.

Excluding individuals for which street addresses are not yet determined, the State of Illinois reports a total of two-hundred and ninety (290) total Oak Park COVID-19 cases. It is important to note that as patient tracking and case follow-up occurs, individuals listed within the number of Oak Park cases reported may change depending on residency confirmation.

The Oak Park Department of Public Health is notified of positive tests as established by state and local public health protocol. Because of privacy laws, no additional information can be released about the individuals. It is noted, that privacy precludes location information regarding individuals tested to anyone other than Public Health Officials and First Responders.

The Oak Park Department of Public Health is working closely with officials from the Illinois Department of Public Health (IDPH), investigating and notifying anyone who may have had exposure to the individual who tested positive for COVID-19. Local public health officials, hospitals and first responders are following protocols consistent with the latest guidance from the Centers for Disease Control and Prevention (CDC).

As part of the continuing work to align the Village with the new State guidance and executive orders related to Phase 3 of Restore Illinois, yesterday evening Oak Park Public Health Director extended through June 27, 2020, his supplemental order for social distancing requirement for stores that sell groceries and continued the suspension of the Village's single-use bag fee of ten cents (\$0.10) set forth in Section 20-14-2 of the Oak Park Village Code as the Governor is still prohibiting the use of reusable bags. The extension of the above orders will ensure that grocery stores in Oak Park continue to operate in the same fashion as they have during the month of May.

**Cases related to Long-Term Care and Assisted Living Facilities**

The Oak Park Public Health Department reported no changes today in Long Term Care/Assisted Living facilities.

Facility Name	# of Resident Cases	# of Resident Deaths	# of Staff Cases
Belmont Village of Oak Park	2	1	4
Berkeley Nursing & Rehab Center	3	2	1
Brookdale Oak Park	7	1	7
