(Check applicable category)

ADDITION/NEW

Commercial

Residential

Can include an addition directly to a structure or new construction on a property, which is sympathetic to the historic nature of the original building or the historic character of the block.

REHABILITATION

Commercial

Residential

Modifying a structure, object or site to a functional condition through alteration or addition using materials compatible in scale, color, texture and character with the original.

RESTORATION

Commercial

Residential

Returning a structure, object or site to the original design and condition by repairing or replacing the original material, architectural detail or paint color scheme.

SUSTAINABILITY (JOINT AWARD)

Commercial

Residential

Recognizing that historic preservation and sustainable building practices go hand-in-hand in saving our past and future, the Historic Preservation Commission seeks projects that sensitively adapt, add to, rehabilitate, or restore an older structure while innovatively addressing sustainability issues of air, energy, waste and water.
