Other Business: Chair Pro Tem Morris commented that A Day in Our Village was more productive than in past years. There was agreement by all present. Several members felt that the Water Saver Kits contributed to the success. Mr. Richardson stated that the Village is considering making the kits available again next year.

A discussion involved the packets for this month’s meeting, which Mr. Richardson explained were sent electronically because decisions by the loan applicant were made too late to mail the packets on Friday. All present felt distributing meeting packets electronically before the meeting, with hard copy available at the meeting, would be acceptable for future meetings and would save the cost of postage.

ADJOURNMENT (voice vote): Meeting adjourned at 7:32 pm.

Respectfully submitted,
Jeff Richardson
