Members were advised that the Public Health Awards will be presented on Monday, May 19, 2014 at the Village Board meeting.

6. Old Business: *E-cigarettes*

Members discussed whether or not to recommend that the local Clean Indoor Air Act be amended to include a prohibition on use of e-cigarettes in public spaces. A local e-cigarette store has opened in Oak Park and residents and community members have inquired about whether or not the Board of Health will take any action on e-cigarettes. Joel Lowrie recommended a timeline of July 22 for a first draft of any recommendation to the Village Board. Margaret advised that a shorter timeline would most likely have more impact; Trustee Ott concurred. Members agreed on June 24, the date of the monthly meeting, for a first draft. Kenneth Campbell volunteered to assist Joel Lowrie.

7. Motion to adjourn at 7:45 PM

Respectfully submitted,

Margaret Provost-Fyfe, Health Director
