A GUIDE TO FALL LEAF COLLECTION PROGRAM

Starting this fall, please do not place leaves directly in the street. Instead, residents - and those who contract with landscaping services - are asked to choose from the following options:

Mulch leaves with a mower and/or leave them on the lawn or in garden beds to promote soil health

Compost leaves via the Village's CompostAble program

Gather fallen leaves in yard waste bags and/or rigid containers to place them in the parkway by the curb **or** have them hauled away by your landscaper

Do not pile leaves next to or in the street

Any person who places yard waste material or leaves in the street regardless of the time of year is in violation of Section 20-7-11 of the Oak Park Village Code and is subject to a citation punishable by a fine of up to \$750.00. In addition, if yard waste material or leaves are placed in the street by a landscaper, the property owner where such material originated may be responsible for the removal of the yard waste material or leaves and is subject to a Village citation and fine under Section 20-7-11.

UNA GUÍA PARA EL PROGRAMA DE RECOLECCIÓN DE HOJAS EN OTOÑO

A partir de este otoño, por favor, no coloque las hojas directamente en la calle. En su lugar, se solicita a los residentes y a quienes contratan servicios de jardinería que elijan entre las siguientes opciones:

Desmenuza las hojas con una desmenuzadora o distribúyelas sobre el césped y en las áreas de jardinería para mejorar la salud del suelo

Composta las hojas a través del programa CompostAble del Village

Reúna las hojas en bolsas de jardín o cajas rígidas y colóquelas en el área de césped junto a la acera, o retírelas

⊘ No amontone las hojas junto a la carretera

Cualquier persona que coloque desechos de jardín o los deje en la calle, independientemente de la época del año, infringe la Sección 20-7-11 del Código de Oak Park Village y está sujeta a una citación sancionable con una multa de hasta \$750.00. Además, si un jardinero coloca materiales de desecho de jardín u hojas en la calle, el dueño de la propiedad donde se originó dicho material también puede ser sancionado.

*No se recogerán bolsas en edificios multifamiliares de más de cinco unidades ni en propiedades comerciales, ya que son responsables de sus propios servicios de recolección de residuos.
